Remarks

Note: Remarks are not for responding to an office action.

This IDS is being submitted under 37 CFR 1.97(c), as it is being filed after the events recited in 1.97(b) and with the certified statement above. Thus, Applicant believes that no fee is due. This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitutes "prior art". If the Examiner applies the document as prior art against any claims in the application and Applicant determines that the cited document does not constitute "prior art" under United States law, then Applicant reserves the right to present to the Office the relevant facts and law regarding the appropriate status of such document.
